

A TRANSFORMATIVE PROCESS OF INQUIRY

THE WORK OF BYRON KATIE

Learn one of the most powerful methods ever devised to end human suffering. The Work is a process that clears the mind. It is a way to identify and question the thoughts that cause all the suffering in the world. The Work is simply four questions and a turnaround, which is a way of experiencing the opposite of what you believe. Anyone with an open mind can do it. This process is simple, radical, and life changing.

“An unquestioned mind is the world of suffering.” Byron Katie

In this teleclass you will have numerous opportunities to fully experience the power of The Work. You will find how you can access greater clarity, open to new ways of viewing life’s situations and find your way out of stress, out of other people’s business and back home to YOU.

Discover:

- ❖ How to apply The Work to everyday situations in your own life
- ❖ How thoughts, common to us all, are the beliefs that cause the war in our selves, our homes, our communities, and, ultimately, the world
- ❖ How to use The Work in your coaching practice

“Maggie provided a safe environment in which she listened and questioned my assumptions. I have grown into a place of personal comfort that I didn’t know was possible. Working with her has allowed me to develop my own roadmap for personal changes.” -Michelle, Management Executive

“When I started the course I only saw a few situations where I thought The Work could be used; by the end of the course Maggie made it evident that The Work can be used for any disruptive thought. I most highly recommend this course.” -Jana Swanson, Coach

About Maggie Carter, PhD

Maggie Carter is a coach, consultant, master facilitator, and master trainer with more than 23 years of professional experience in education, organizational development and human resource development. She is a graduate of The School for The Work of Byron Katie and has been using The Work in her own life on a daily basis for the past five years.
