

Dive into you!

October 10-14, 2012

Hallelujah Farm Retreat, New Hampshire

Join us for a 5-day Immersion into YOU

with a profound form of *Inquiry*
facilitated by Maggie Carter

If you are ready to take a transformational journey into your heart and realize your true nature this workshop is for YOU! Using the process of *Inquiry* you will “Dive into you!” and discover who you are without your stories. You will find that you are not who you thought you were or what you thought you were.

With the simple, yet profound, process of *Inquiry*, *The Work*, you examine your thoughts and realize new possibilities. Through *Inquiry*, you open to new ways of viewing life’s situations, access clarity, creative energy and internal peace. As you answer the questions honestly and fearlessly you just might meet the love of your life – YOU!

This workshop is appropriate for those new to and those experienced with the process of *Inquiry*. There will be group exercises, paired facilitations, individual time to do *Inquiry*, meditation, silent walks, and opportunities to bring new awareness to how you live your life when you believe what you think. And along the way we’ll have fun and laugh as we discover what is really true.
